

Notice to Parents of Children Who Reside in the Benton Area School District

In compliance with state and federal law, notice is hereby given by the Benton Area School District that it conducts ongoing identification activities as part of its school program for the purpose of identifying students who may be in need of special education and related services (eligible students). If your child is identified by the District as possibly in need of such services, you will be notified of procedures, individualized services, and programs for children who are determined to need specially designed instruction due to the following conditions:

- Autism
- Deaf-Blindness
- Visual Impairment including Blindness
- Hearing Impairment
- Mental Retardation
- Multiple Disabilities
- Orthopedic Impairment
- Other Health Impairments
- Physical Disabilities
- Emotional Disturbances
- Specific Learning Disabilities
- Speech and Language Impairment
- Traumatic Brain Injury

If you believe that your school-age child may be in need of special education services, a written request should be sent to the school psychologist. You may request screening and/or evaluation at any time, without cost even if your child is not enrolled in the district's public school.

In compliance with state and federal law, the Benton Area School District will provide to each handicapped student those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the public school program.
