

Bloomsburg University's Division of Corporate and Continuing Education offers

Learning Strategies for Children with Autism Spectrum Disorder

This is a beginning level workshop that is designed to give participants an overview of effective strategies used in the regular and special education classroom with children on the autism spectrum.

Strategies taught include:

1. Structured Teaching
2. Sensory Integration
3. Positive Behavior Supports

The workshop is designed to help **teachers, paraprofessionals, and parents** implement these strategies at home, at school and in the community.

When: Tuesdays from March 10 – April 7

Time: 6:00PM – 8:00PM

Price: \$89 (If both parents of a child with Autism sign up, a discount will be applied)

Instructor: Tami Tunnessen

For more information or to register, please call 570-389-4420.
